

## **Timely Warning Procedures**

SCC is concerned about the safety of students and employees. SCC has implemented a mass notification system which will send text messages to cell phones, voice messages to cell phones and/or home phones, and e-mails to campus accounts. Pertinent information will also be placed on the SCC website. In addition, campus buildings in West Burlington and Keokuk are equipped with internal public address systems which will be used as necessary. Should an incident occur, on or off campus, that presents a continuing threat to safety on campus or at any college facility, a timely warning notification will be issued. Depending on the situation, designated individuals and posted notices may also be used to make notification. Anyone with information that would warrant a timely warning notification should report the circumstances as outlined in the Policies and Procedures for Reporting Crimes. SCC's mass notification system will be tested annually.
