**About SCC**

**A Little History**
In the spring of 1965, the General Assembly of Iowa provided for the establishment of area community colleges and vocational-technical schools, with the southeastern part of Iowa designated Merged Area XVI. Within this 3 ½ county area, two public post-high school educational institutions existed: Burlington Junior College, founded in 1920, and Keokuk Community College, established in 1953. Both institutions were operated by the local community school districts until July 1, 1967, at which time they became north and south campuses of Southeastern Community College. SCC is one of fifteen area community colleges which comprise the Iowa System of Community Colleges operating under the regulations of the Iowa Department of Education and the Code of Iowa.

**Programs and Educational Services Available at SCC**
Refer to the SCC website for a current listing of programs available: [http://www.scciowa.edu/currentstudents/academics/programs/](http://www.scciowa.edu/currentstudents/academics/programs/)

**What is a Concurrent Enrollment Jump Start! (CE) course?**

CE courses are SCC classes (either Arts and Sciences or Career and Technical) offered to high school students for both high school and SCC credit. Enrollment generates an official college transcript for each student where grades, withdrawals, etc. are recorded.

CE Instructors are required to possess the same credentials as a full-time instructor hired on an SCC campus. Those credentials are reviewed in the same manner as they would be if the Instructor were teaching on SCC’s campus.

Courses taught to high school students are the same courses taught on the SCC campus, with consistent and rigorous instruction to meet course quality standards. SCC Faculty Liaisons provide collegial interaction with CE Instructors to insure equivalency between courses taught concurrently and “traditional” college campus courses.

CE students are high school students. Students must meet all entrance requirements outlined through Senior Year Plus (the legislation which addresses all high school to post-secondary relationships in the state of Iowa). The web address for Senior Year Plus on the Department of Education website is as follows: [http://www.iowa.gov/educate/index.php?option=com_content&view=article&id=1856&Itemid=2596](http://www.iowa.gov/educate/index.php?option=com_content&view=article&id=1856&Itemid=2596).

In addition, students must also meet any prerequisite course requirements (including test scores) required by SCC. Students are enrolled through their high school counselors and apply to SCC through our on-line application for high school students. SCC creates a permanent record/transcript for these students.

Concurrent Programming is authorized by Iowa Code 282.26 and is accredited by the National Alliance of Concurrent Enrollment Partnerships (NACEP). NACEP Accreditation Guidelines, Program Standards, and other information can be accessed at the following Web site: [http://nacep.org/](http://nacep.org/).
Faculty Liaison Program

SCC is proud to have faculty members who take on the role of Faculty Liaisons. They are vital to the success of our CE courses. Liaisons help insure comparable rigor and quality to courses taught on campus. Your Liaison will keep you updated with trends and new information in the curriculum, as well as share effective teaching styles, techniques, and resources.

Faculty Liaison Responsibilities

Serve as a content resource to help insure consistent rigor and outcomes between the concurrent course and the same course delivered to “traditional” students. The Faculty Liaison will participate in the following to promote collegial interaction:

• Meet at least once with the first-time Concurrent Enrollment Instructor (of the high school students) and the Director of High School Relations (who will schedule the meeting) prior to the course(s) to share information on course content through the use of the same:
  o Quality standards
  o Textbook
  o Equipment
  o Materials and supplies
• Participate in site visits to the concurrent enrollment instructor’s classroom for the purpose of providing collegial interaction.
• Attend professional development networking events designed to provide opportunities for networking and sharing of information between CE Instructors and Faculty Liaisons.
• In addition to visits and professional development events, communicate (face-to-face, e-mail or by phone) at least one additional time during the concurrent enrollment course term.

Provide documentation of site visits and additional communication on the appropriate forms provided in the Faculty Liaison Handbook (see Appendices for forms)
  o Faculty Liaison Activity Record
  o Orientation Checklist for First-Time CE Instructors OR
  o Checklist for Discussion with Returning CE Instructors
  o Faculty Liaison Site Visit and Conference Summary

Communicate course changes/issues to the appropriate dean, the Director of High School Relations and the CE Instructor.

Teaching a Concurrent Enrollment Jump Start! (CE) Course

Credentials

CE Instructors are expected to have credentials equivalent to those required of full-time instructors at SCC. Instructor credentials are reviewed by the appropriate Dean or designee before an SCC Application for Employment is completed. The Iowa Board of Educational Examiners will be consulted to ensure that the applicant has not had a teaching license revoked or suspended.
SCC Application for Employment and Other Forms Required
CE Instructors will complete an SCC Application for Employment to be filed with our Human Resources Department. In addition to the application, transcripts, a resume and additional forms required to establish an e-mail account, etc. will be requested. All individuals who teach a class for SCC will have a background investigation conducted by SCC to be in accordance with Iowa Code section 272.2(17). The background investigation applies whether employed by the college or by the K-12 school district.

Expectations
All CE Instructors are expected to carry out the tasks and duties assigned below. Compliance will be monitored through participation, met deadlines, site visits by Faculty Liaisons, academic deans, and student evaluations. If determination is made that the expectations are not adhered to, a meeting will occur between the SCC academic Dean or designee and the instructor. CE Instructors will be provided with resources/tools/direction to help them improve on the unmet expectation. The SCC Dean or designee will provide the concurrent enrollment instructor documentation of the discussion as part of the faculty evaluation process/visit. If CE Instructors are unable or unwilling to show that they meet the expectations below after having the opportunity to improve, they will be dismissed from their duties and not considered for future concurrent enrollment opportunities.

- Instructors will use the same quality standards, and assessment methods as the course on campus.
- Instructors will establish and maintain accurate records related to student progress within each class.
- Instructors will use Canvas to upload an appropriate syllabus, verify rosters and use the gradebook to submit grades in a timely manner as requested by SCC’s Registrar office.
- High schools and instructors will allow SCC personnel (enrollment services and Faculty Liaisons) to visit classrooms for the purposes of student orientation and classroom observation, respectively.
- Instructors will participate in annual discipline-specific concurrent enrollment instructor professional development to stay current in the field.
- Instructors will require their students to participate in the end of course assessments for SCC’s continuous improvement.
- Instructors will evaluate their students on SCC’s Core Competencies and will complete the appropriate documents.
- Attendance is required at all sessions of concurrent enrollment classes. If serious illness or emergency warrants a missed class, instructors should notify the high school and the Director of High School Relations immediately.
- In the high school setting, classes should be supervised at all times. (In other words, students should remain in class for the allotted class time.)
- Cooperate with the concurrent enrollment program office for administrative business and will enforce registration/withdraw deadlines.

If, at any time, there are areas of concern about the CE course and/or Instructor, the Faculty Liaison will bring this to the attention of the appropriate Dean or designee and the Director of HS Relations. Any visit for the purpose of evaluation will be conducted by the appropriate Dean
or designee in accordance with SCC’s Higher Education Association’s contract. The Dean will follow the SCC Employee/Faculty Handbook Section 5.5:

1. A verbal reminder of the procedural and behavioral standard expected.
2. A verbal warning indicating expected procedural and behavioral standards which have not been met, followed by a written memo re-emphasizing the verbal message.
3. A written reprimand which includes specific corrective action(s) to be taken, said written statement to be personally delivered to and reviewed with the employee. A copy of this written reprimand shall be forwarded to the administrator in the next higher position in the organization structure and a copy shall be placed in the employee’s personnel folder.

Based upon the non-compliance issue, the Dean will include the appropriate timeline for improvement (i.e., 30 days, 60 days, etc.). Failure to meet the requirements of the performance improvement plan in the designated timeframe may be cause for dismissal or non-renewal of a teaching contract.

Professional Development Opportunities
SCC is committed to providing quality professional development opportunities for CE Instructors. The relationship with Faculty Liaisons provides the greatest opportunity related to course content and methodology. Professional development networking events facilitate communication between CE Instructors in numerous districts and across subject matter areas. In addition, CE Instructors can receive training to use the Canvas learning management system.

Attendance at CE Professional Development events is expected. If an emergency does not allow attendance, the Concurrent Enrollment Instructor will be asked to attend a class session of the Faculty Liaison and to conference with the Liaison and the Director of High School Relations to cover any missed information. At the Director’s request, CE Instructors will be expected to attend SCC professional development days, in-service days, new instructor workshops, and similar professional development events.

Student Eligibility Requirements
Students must follow eligibility requirements outlined in Iowa Code under Senior Year Plus including:
- Students must meet proficiency requirements as evidenced by standardized tests or alternative measure of proficiency as approved by the Department of Education and the local school board of education.
- Students must meet all pre-requisite requirements including placement test scores and/or course pre-requisites as outlined in the SCC Course Catalog.

Course Quality Standards
All SCC Instructors agree to use Course Quality Standards to insure consistency and rigor across disciplines. Quality Standards are formally adopted by the College’s Curriculum Committee and are reviewed by faculty on a regular basis. Quality Standards outline course content, as well as methodology for assessment. Faculty Liaisons will cover Quality Standards as part of their
orientation with CE Instructors. Course Quality Standards must appear in the syllabus/outline for each course.

**Course Syllabus/Outline**
Each Concurrent Enrollment Faculty member must submit a course syllabus/outline to the Faculty Liaison for review and approval prior to the beginning of each class term. After review and approval, the Faculty Liaison will submit the CE syllabus/outline to the Director of High School Relations. An SCC-approved sample of the course syllabus/outline and a sample syllabus template will be provided to the CE Instructor.

**Textbooks**
CE courses must use SCC approved textbooks, which is generally the same text being used by the Faculty Liaison.

**SCC Activities**
SCC Instructors can attend most on-campus extra-curricular activities at a discounted price or free of charge. These activities include music concerts, plays, and athletic events. Information on upcoming events may be obtained from the in-house newsletters, or by accessing SCC’s website.

**Students With Disabilities**
High school students who have a documented disability may be able to receive accommodations. However, they must first be registered with SCC’s Disability Services Coordinator. No accommodations may be offered until this registration has been completed.

Here are differences between high school and college for students with disabilities.

### Administrative Procedures

**Student Registration Process**
Students register for CE courses through the high school counselor as the first point of contact. The counselor assures that students have met the pre-requisites as outlined in Senior Year Plus legislation and by SCC. Students then submit an Application for Admission (available on-line). Counselors submit documentation containing any required placement test score along with the student name and application.

**Dropping/Adding Students**
Students should request to be formally added or dropped from a course with their high school counselor, who will communicate that to the SCC Director of High School Relations. There are specific timelines associated with students dropping with no penalty, dropping with a “W,” or dropping with a grade of F on their SCC transcripts. Because course terms vary among high schools, each counselor will consult SCC for the deadline dates which apply at their high school. If instructors notice any discrepancy between the roster they receive and the students in the class, they should communicate that to the high school counselor and to the Registrar’s office (which will provide them with the roster for verification).

**Course Enrollment Caps**
Courses not held on an SCC Campus are expected to adhere to the same cap on course enrollment numbers.

**Faculty Alert Form**
A communication tool is available for instructors’ use to report concerns related to student attendance, performance, behavior, etc. The Faculty Alert form is also available to faculty on SCC’s Campus. This form is designed to be completed by instructors and shared with high
school counselors to provide documentation and a communication tool for use with students and families, if appropriate. Refer to Appendix II.

The Family Educational Rights and Privacy Act of 1974 (FERPA)
This act, as amended (also sometimes referred to as the Buckley Amendment), is a federal law regarding the privacy of student records and the obligations of the institution, primarily regarding the release of the records and access provided to these records. Any educational institution that receives funds under any program administered by the U.S. Secretary of Education is bound by FERPA requirements. Institutions that fail to comply with FERPA may have funds administered by the Secretary of Education withheld.

Confidential education records include student registration forms, graded papers, student information displayed on a computer screen and social security numbers linked to names. Employees who work around education records need to keep this information secure and protect the rights of students.

The essence of this act is that:
• Students upon reaching age 18 or students attending postsecondary institutions, regardless of age, must be permitted to inspect and review their own education records (any records from which the student can be individually identified), to the exclusion of third parties. There are no rights guaranteed under FERPA for parents of students attending a postsecondary institution.
• Institutions may not disclose information about students, nor permit inspection of their records, without the student’s written permission unless such action is covered by certain exceptions as stipulated in the Act.

SCC will only release allowable information under the Family Educational Rights and Privacy Act of 1974.

Concurrent Enrollment (Jump Start!) Courses and FERPA
At SCC, Concurrent Enrollment Instructors will be allowed to present progress information and grades to:
• Students
• SCC Registrar’s office
• High School Counselors

Concurrent Enrollment Instructors should refer all parent inquiries to the High School Counselor.

Submitting Grades
CE Instructors will submit mid-term and final grades to the SCC Registrar’s Office upon request. High schools may also request periodic updates for their purposes.

Classroom Visits

Faculty Liaison Site Visit
A site visit takes place in the CE Instructor’s school building on a regular secondary school day. The visit is defined as the time spent observing a class and conferring with the teacher. The SCC
Faculty Liaison is responsible for scheduling the site visit. In an observation site visit, the Liaison observes the entire class period. During the conference, the Liaison and CE Instructor discuss topics related to the “Faculty Liaison Site Visit and Conference Summary” form (see Appendix I).

Site Visit Guidelines:
• To insure continuity of contact with the high school teachers and students, the site visit should be made within the first half of the term/semester.
• Observations should be made of the entire class period to gain insight on how the instructor starts, teaches, and concludes a lesson.
• During the visit, CE Instructors should provide examples of specific assignments, assessments, and other materials as requested by the faculty liaison.
• Liaisons will be asked to use the “Faculty Liaison Site Visit and Conference Summary” form to document their visit and conference. Both the CE Instructor and Liaison will be required to sign and date the form at the conclusion of the conference after the site visit occurs.

Enrollment Services Personnel
Enrollment services personnel will schedule a time early in the class term to visit with students. They will confirm rosters, direct students to the Student Handbook and FAQ, and reinforce that enrollees are now SCC students with corresponding privileges and responsibilities.

Student Evaluation
The appropriate SCC college dean or designee will schedule a time with the CE Instructor to visit class to administer a student course evaluation to students. The results of this evaluation will be shared with you, SCC administration and the high school administration as well. The evaluation, which is anonymous, covers the following.

Services Available for Concurrent Enrollment Instructors

Library Services
SCC Instructors and students are encouraged to use the many resources and services provided by the SCC Libraries. The Yohe Memorial Library at the West Burlington Campus and the Fred Karre Memorial Library at the Keokuk Campus contain a combined collection of over 30,000 volumes. The libraries are members of two interlibrary loan networks, SILO (State of Iowa Libraries) and OCLC (On-Line Computer Library Center), which facilitate the borrowing and lending of books and periodical articles using current technologies. Librarians are available for reference assistance and library orientation.

Canvas Learning Management System
This system provides an online resource for your classes. You are required to use it to post your syllabus, enter (at least) midterm and final grades, and access the rubrics for the Core Competency Assessments. Use of this system does require brief training; please schedule this with the Director of High School Relations. This system can be accessed from any location via the internet.

Academic Integrity and Plagiarism (Turnitin)
Academic Integrity Policy – Board Policy #523 and Administrative Guideline #101
It is the policy of Southeastern Community College to create an atmosphere of academic rigor, free from acts of dishonesty. The primary responsibility for managing the classroom environment rests with the faculty. Faculty members are urged to make students aware of their policies on plagiarism, fraud, cheating, forgery and other acts of dishonesty. If a student violates academic integrity, the faculty member may recommend one of the following discipline choices: a) The student will be given a failing grade for the assignment or b) the student will be given a failing grade for the course.

SCC subscribes to Turnitin.com, a highly sophisticated teaching tool and plagiarism detection Web site, and CE Instructors are strongly encouraged to use it in concert with other tools. Additional information and access to Turnitin.com can be provided by SCC Faculty Liaisons.

   • The CE Instructor or high school requests a visit.

Note: If, at any time, there are areas of concern about the CE course and/or Instructor, the Faculty Liaison must bring this to the attention of the appropriate Dean or designee and the Director of HS Relations. CEI Acknowledgement Form
CONCURRENT ENROLLMENT INSTRUCTOR RESPONSIBILITIES AND EXPECTATIONS

All CE Instructors are expected to carry out the tasks and duties assigned below. Compliance will be monitored through participation, met deadlines, site visits by Faculty Liaisons, academic deans, and student evaluations. If determination is made that the expectations are not adhered to, a meeting will occur between the SCC academic Dean or designee and the instructor. CE Instructors will be provided with resources/tools/direction to help them improve on the unmet expectation. The SCC Dean or designee will provide the concurrent enrollment instructor documentation of the discussion as part of the faculty evaluation process/visit. If CE Instructors are unable or unwilling to show that they meet the expectations below after having the opportunity to improve, they will be dismissed from their duties and not considered for future concurrent enrollment opportunities.

- Instructors will use the same quality standards, and assessment methods as the course on campus.
- Instructors will establish and maintain accurate records related to student progress within each class.
- Instructors will use Canvas to upload an appropriate syllabus, verify rosters and use the gradebook to submit grades in a timely manner as requested by SCC’s Registrar office.
- High schools and instructors will allow SCC personnel (enrollment services and Faculty Liaisons) to visit classrooms for the purposes of student orientation and classroom observation, respectively.
- Instructors will participate in annual discipline-specific concurrent enrollment instructor professional development to stay current in the field.
- Instructors will require their students to participate in the end of course evaluations for SCC’s continuous improvement.
- Instructors will evaluate their students on SCC’s Core Competencies and will complete the appropriate documents.
- Attendance is required at all sessions of concurrent enrollment classes. If serious illness or emergency warrants a missed class, instructors should notify the high school and the Director of High School Relations immediately.
- In the high school setting, classes should be supervised at all times. (In other words, students should remain in class for the allotted class time.)
- Cooperate with the concurrent enrollment program office for administrative business and will enforce registration/withdraw deadlines.

If, at any time, there are areas of concern about the CE course and/or Instructor, the Faculty Liaison will bring this to the attention of the appropriate Dean or designee and the Director of HS Relations. Any visit for the purpose of evaluation will be conducted by the appropriate Dean or designee in accordance with SCC’s Higher Education Association’s contract. The Dean will follow the SCC Employee/Faculty Handbook Section 5.5:

1. A verbal reminder of the procedural and behavioral standard expected.
2. A verbal warning indicating expected procedural and behavioral standards which have not been met, followed by a written memo re-emphasizing the verbal message.
3. A written reprimand which includes specific corrective action(s) to be taken, said written statement to be personally delivered to and reviewed with the employee. A copy of
this written reprimand shall be forwarded to the administrator in the next higher position in the organization structure and a copy shall be placed in the employee’s personnel folder.

Based upon the non-compliance issue, the Dean will include the appropriate timeline for improvement (i.e., 30 days, 60 days, etc.). Failure to meet the requirements of the performance improvement plan in the designated timeframe may be cause for dismissal or non-renewal of a teaching contract.

I understand that failure to comply with these responsibilities and expectations can result in the loss of CEI status and discontinuation of teaching SCC courses.

General Education Outcomes (Core Competencies)

SCC has designated five general education learning outcomes in which each student should be proficient upon completion of an associate’s degree. These are referred to as Core Competencies: (1) Communication (2) Civic Awareness (3) Critical Thinking (4) Cultural Awareness (5) Quantitative & Scientific Reasoning. Faculty utilize course assignments and rubrics to assess student attainment of the Core Competencies. Two Core Competencies are assessed in every course each semester.

Academic Honesty/Integrity Statement:

Academic honesty is a fundamental attribute of higher learning. Evaluation of each student’s level of knowledge and understanding is a vital part of the teaching process, and it requires a variety of methods of assessment. Any act that interferes with the process of evaluation by misrepresenting the relationship between the work being evaluated and the student’s actual state of knowledge is an act of academic dishonesty. These acts of dishonesty include, but are not limited to; Fraud, Cheating, Plagiarism, Forgery and Facilitation Dishonesty. Please refer to Southeastern Community College’s Administrative Guideline 101 - Institutional Academic Integrity Policy at https://hawknet.scciowa.edu/cabinet/Pages/Administrative-Guidelines.aspx for more information.

Credit Hour Requirements

At SCC, a standard one credit hour lecture course requires one contact hour of classroom-based instruction and two clock hours of out-of-class student work every week for 16 weeks. One contact hour equals 50 minutes; one clock hour equals 60 minutes. Students are expected to spend two clock hours out-of-class time for every credit hour. As an example, for the typical three credit hour lecture course, a student should expect to spend 150 minutes in classroom-based instruction and 360 minutes
out-of-class, on homework or course-related study, each week for 16 weeks. Please refer to Administrative Guideline 115 – Credit Hour Policy for more information.

To be eligible the student can forward the Disability Student Intake application and documentation of his/her disability to the Disability Services Coordinator. This information can be obtained from the Disability Services Coordinator and/or from the Disability Services Manual that is located here: [http://www.scciowa.edu/academics/disserv.aspx](http://www.scciowa.edu/academics/disserv.aspx).

The Student Intake Application is on pages 25-27 and the Medical Professional Guidelines for Verifying a Disability are on page 31-33. You can self-report at any time to the Disability Services Coordinator, but it is strongly encouraged that you have everything that you need in place and ready when you begin classes at the start of each semester. For further information or to arrange for accommodations, call (319) 208-5167.
