

Health Sciences Academy

The **Health Sciences** Academy gives you the chance to explore a career in the health field while earning college credit before you graduate from high school! This academy will begin to prepare you for entering the healthcare workforce in medical offices, hospitals, laboratories, long term care facilities, and more. Careers in healthcare are in high demand and the job opportunities continue to expand. As new technologies develop, our ability to diagnose and treat patients improves, allowing individuals to live longer, healthier lives.

You may enroll in any or all of the courses listed in the Academies through your high school guidance counselor. You are not required to take all courses within the academy to earn college credit for each course.

Career Opportunities:

How much will it cost?

Your school district pays for your courses. You and your family are saving \$197/credit hour (SCC's in-state tuition cost for 2020-2021).

Check with your high school guidance counselor but you most likely will need to provide your own transportation and purchase your textbooks.

Who may participate?

Any high school student who meets the requirements may participate, check with your high school guidance counselor.

What may I do after high school?

When you enroll in courses in the **Health Sciences** Academy, you may select areas for study that suit your own career goals, or use the courses to explore possibilities in this area. If you enroll in the Health Sciences Programs at SCC, you may bypass the courses you have already taken, saving time and money. You will also have accumulated skills that are highly valued in the workplace.

Some courses may apply to other programs. SCC Enrollment Specialists can answer your questions. To view all the programs offered at SCC, visit our website for more information:

May I take more?

If there are openings in appropriate classes in this program at SCC, there may be possibility for further study. Check with your high school guidance counselor.

When and where are the classes located?

Refer to the reverse side of this document to see the listing of classes and locations.

How do I register?

Meet with your high school guidance counselor to determine course options. Register online with SCC, as directed by your counselor. Your high school counselor will send the class roster to SCC.

Do courses transfer to other colleges?

Check out this link: www.transferiniowa.org to see how courses may transfer to other colleges. It's also recommended that you double check with the college to make sure how/if courses will transfer.
