This event is our major annual fundraising effort. With last year's Golf Outing proceeds we awarded scholarships to 2016 SCC alumni Kelsea Gaul and Andrekia Thompson to help them continue their educations. We also funded \$3,000 in college instructional mini-grants and purchased plaques to honor the 2016 Distinguished Alumni Mike Hickey and James Walker Henry. **Because of you and all of our sponsors, this event truly makes a difference.**

We also participate in the John Deere Classic Birdies for Charity pledge program. A pledge of 1¢ or more per birdie to be made at the next John Deere Classic and a guess the number of birdies to be made in 2016 could net a new car or 1 of 500 other great prizes! JDC's Birdies for Charity staff send the invoices the September following their event. The SCCAA gets 100% of the pledges paid!! Refer to that information in a separate link.
