This event is our major annual fundraising effort. With last year's Golf Outing proceeds we awarded \$1,000 scholarships to 2017 SCC alumni Chelsea Page and Michelle Hall to help them continue their educations. We also funded \$3,000 in college instructional mini-grants and purchased granite plaques to honor the 2017 Distinguished Alumni Mary Ann Philp and Dr. Andrew Kious. As you can see, **because of golfers and our sponsors, this event truly makes a difference!**
