Steps in Establishing a Scholarship or Gift

Thank you for thinking of the Southeastern Community College Foundation! To develop the specifications for your tax deductible gift, please complete and return this questionnaire to **SCC Foundation, 1500 West Agency Road, P.O. Box 180, West Burlington, Iowa 52655-0180**. For additional information or to request *The Gift of Education, A Guide to Creative Planned Giving Arrangements*, please call 319-208-5065 or toll free (866) 722-4692, ext. 5065 or send e-mail to brump@scciowa.edu. *I look forward to working with you!* - Becky Rump

IMPORTANT NOTES: (1) The **federal tuition deduction** allows a taxpayer to take a deduction for eligible college expenses paid on behalf of themselves, their spouse, or a dependent. The amount deducted must be reduced by any tax-free scholarships, grants, or awards received. The maximum Tuition and Fees Deduction is \$4,000, and is subject to income limitations. **See IRS Publication 970 for details.** (2) A gift to an educational institution for a *specified* individual's tuition will **not** result in a *charitable* tax deduction for the donor. (3) A tuition gift paid directly to an educational institution is exempt from federal *gift* tax. (4) An individual may gift up to \$13,000 to an individual in one year, exempt from gift tax. (5) A married couple can each give an individual \$13,000, for a total of \$26,000 free of gift tax, in a single year. **See IRS Publication 950 or contact your tax preparer for the most current information.**

- If you wish to **NAME a scholarship, room, wing or building** (for example, in honor of living persons, in memory of persons who have died, for organizations, for events, and for graduating classes), you must meet one of the following **minimum requirements**:
 - To **NAME an ENDOWED Scholarship = \$10,000** (minimum initial gift of \$2,500, with **pledge to donate \$2,500 annually for another four years, or donate annually so the fund reaches a total of \$10,000 within five years**); (See 3. below)
 - To **NAME a RESTRICTED Scholarship = \$2,500** (minimum initial gift of \$500 and a **pledge to contribute at least \$500 per year for another four years**); (See 3. below)
 - For a **RESTRICTED Room, Wing or Building Gift = min. 25% of the total room, wing or building construction or renovation cost. NAME of Scholarship , Room , Wing , or Building : _____**
- Do you wish to **ENDOW** the gift fund? YES NO ("Endow" means that SCC will invest the gift so that investment earnings will generate funding in perpetuity to accomplish the stated purpose. Additional gifts may be added at any time.). **Requires min. initial gift of \$2,500, with a pledge to reach a total of \$10,000 within five years. No awards are made until a year after the minimum endowment is met.** Annual awards are prorated by account at 2-5% of the actual earnings on the audited fund balance, calculated at June 30. One half of 1% of annual earnings helps fund SCCF operations. The balance of any earnings remains invested to help grow the fund principal. Donors receive an annual account summary.
- Do you wish to **RESTRICT** the use of the gift fund? YES NO ("Restrict" means that the gift or a portion of this and any future gifts will be expended for the purpose stated until such time as the account has a \$0 fund balance. Additional gifts can be added at any time. Earnings on fund investments accrue to the Foundation operational expense account. Donor can create a "named" restricted scholarship with a **pledge to contribute a minimum of \$500 each year for five years**. The fund can be converted to an Endowed Account if/when requirements for such are met (see 2. above.) Donors receive an annual account summary.
