COLLEGE

Commercial Truck Driving Certificate

The truck driving industry is vital to the economic structure of our nation, and it is currently experiencing a critical shortage of qualified drivers. The Center for Business at Southeastern Community College offers convenient, streamlined, CDL training programs designed to get you on the road in as little as four weeks.

Truck Driving Certification Program overview:

Classroom and hands-on instruction with tailored training programs to fit your needs (full & refresher courses). We have a solid reputation and have trained drivers from across the U.S. CBIZ offers job placement assistance to help get you on the road to your new career.

Class A CDL Course overview:

Four weeks of instruction. Courses starting monthly. Books, DOT Physical, drug screening, class A permits and license fees are included in course tuition.

Tuition: \$3,195
