

2023-2024 Dependent Student - No Parent Information

Student Name _____

Social Security or SCC ID# _____

On your 2023-2024 financial aid application (FAFSA), you reported that your parents are unwilling to provide their information. SCC is required by federal law to gather additional information concerning your circumstance. You and your parent(s) must complete this form in order to be considered for any financial aid eligibility.

THIS FORM WILL BE RETURNED TO YOU IF YOU LEAVE ANY OF THE ITEMS BLANK. COMPLETE STEPS 1 AND 2.

STEP 1: Student Section

In the space below, please provide an outline of your living situation for the 2023-2024 school year. Explain what your living arrangements are, and how you will be providing your own financial support during the academic year.

By signing below, you are certifying that your parents provide you no financial support, and are unwilling to complete the required parental items on the 2023-2024 FAFSA. By not providing parental information to you, you understand that you will not be eligible for any grant aid during this academic year. Students whose parents do not support their child, and will not provide information for the FAFSA, may only be eligible for unsubsidized federal Stafford loans once final eligibility has been determined by SCC.

Student Signature _____ Date _____

STEP 2: Parent Section

The federal government believes that the parents of a dependent student (as defined by the Department of Education) have a responsibility to provide support to their child in the event that financial resources are available. A parent's refusal to provide information to his or her child so that he or she can complete the Free Application for Federal Student Aid (FAFSA) represents a matter between the student and the parent, and not the student and the Department of Education. Therefore, a parent's refusal to provide information on a FAFSA severely limits a student's eligibility for financial aid. Any students whose parents do not support their child, and will not provide information for the FAFSA, may only receive unsubsidized federal Stafford loans (if qualified).

By signing below you are certifying the following:

1. I do not provide any financial support to my dependent child (this includes medical insurance/car insurance and all other living expenses).

Date support ended: _____

2. I refuse to provide my information for his/her FAFSA.
