

Intercollegiate Athletic Program Participation Rates and Financial Support Data (Equity in Athletics Disclosure Act)

The Equity in Athletics Disclosure Act is designed to make prospective students aware of SCC's commitment to providing equitable athletic opportunities for its men and women students. Any co-educational institution of higher education that participates in a federal student aid program must prepare an EADA report by October 15. The full Equity in Athletics Report is available here. Search by state and 2-year public schools. A student has the right to request a full copy of the report by contacting Athletic Offices located at SCC's West Burlington Campus.
