

## Suspension of Eligibility for Drug-Related Offenses

Students who were convicted of the possession or sale of illegal drugs while receiving federal student aid will have their eligibility suspended for a period of time. The duration of the suspension depends on the type of conviction and the number of previous offenses, as shown in this table:

Suspension of Eligibility	Possession of Illegal Drugs	Sale of Illegal Drugs
First offense	1 year from date of conviction	2 years from date of conviction
Second offense	2 years from date of conviction	Indefinite period
Third and subsequent offenses	Indefinite period	Indefinite period

### *Rehabilitation*

Students can regain eligibility before the end of the ineligibility period by successfully completing a qualified drug rehabilitation program or by passing two unannounced drug tests given by a qualified rehabilitation program.
