

Price of Attendance

SCC provides a net price calculator which uses institutional data to provide estimated net price information to current and prospective students and their families based on a student's individual circumstances. To use this tool, click below:

<https://www.scciowa.edu/futurestud/costaid/finaid/nprcal.aspx>

Cost of Attending SCC:

The cost of attending SCC is calculated for student budgeting purposes by the Financial Aid Office. The following represents the current student budgets:
