^{*}These procedures generally require Informed Consent.

Identify other key personnel involved with human subjects on this project:		
Ident	ify anticipated funding source:	
Ident	ify other organizations or agencies involved in the project:	
	PROJECT DESCRIPTION See "Required Elements in the Project Description for IRB Review.pdf The Project Description may be submitted on separate sheet(s).	
I.	Abstract describing the project and its purpose.	
II.	Description of the protocol.	
III.	Description of risks and precautions.	
IV.	Anonymity and confidentiality.	

V.	Consent.		
VI.	Benefits.		
ASSUR	ANCE:		
I certify that the protocols described in this application are complete and accurate, and are consistent with applicable protocols submitted to external funding agencies. All protocol activities will be performed in accordance with Southeastern Community College, state, and federal regulations. The protocol as approved by the Southeastern Institutional Review Board will be followed during the period covered by this research project. Any future changes to the research project will be submitted to the IRB for review and approval prior to implementation. No activities involving the use of human subjects will be initiated without prior review and approval by the SCC Institutional Review Board.			
Princip Directo	oal Investigator/Project or	Co-Investigator/Student (if appropriate)
