Having the right to vote is one of the most precious freedoms we have in this country. It allows citizens to have a voice in who leads our country and is key to the freedoms we the people enjoy. The GSA has already set up a table for students, staff, and faculty to collect voter registration forms. However, tomorrow, Tuesday October 16th, there will be voter registration tables set up in two locations: There will be tables in the Health Professions Building and tables in Circle Drive Lobby. If you are not registered to vote, we encourage you to visit one of these locations to collect the proper paperwork to register. There will be representatives at each station to answer any questions you may have about voting or voting registration.

--Stephen King
Dreamcatchers is a group of volunteers working with terminally ill patients to try to make their dream or wish come true. When a patient, patient’s family or hospice caregivers contacts Dreamcatchers, we gather information about the dream and then evaluate whether we can make it come true either in reality or through a simulation. Our team works closely with hospice caregivers to make sure the patient is safe and receives the proper care. The students will participate in many roles to make sure the dream making process for the recipient, is special and fulfilling for all parties involved. Our mission is to help promote students to become active leaders within the community.

If you are planning to graduate in December you must submit a Request to Graduate form to the Registrar’s Office. Forms are available on the counter in Enrollment Services. December graduates will participate in the commencement ceremony taking place May 16, 2019.

**Tech Tip!**

Expand your text to full page width in Microsoft Word. We don’t see this feature used quite enough and by default Word leaves a lot of unused space toward the margins. Head to View > Zoom > and choose Text Width > OK. Now whatever you’re writing should fill out most of the Word page.

Make college count with TRIO

College can be a tough gig. We’re here to make sure you rock your time at SCC.

We’re here for YOU!

Get one-on-one help from a dedicated advisor who works with you all year long.

Navigate the process

College can be tough enough. Add complicated applications and confusing requirements to the mix and your head can spin. We’ll help you understand financial aid and transfer requirements, so you can get through college like a boss.

Track record of success

Students in TRIO SSS programs are typically more likely to graduate and get better grades than those who aren’t. In other words, TRIO students are scholars!

SCC’s Strategic Plan is the foundation for all facilities, budget, and instructional planning underway at the college. The plan identifies four major goals.

Strategic Goal 1: Promote Student Success
Strategic Goal 2: Strengthen Human, Financial, and Facility Resources
Strategic Goal 3: Enhance Collaborative Partnerships
Strategic Goal 4: Practice Continuous Improvement

For each goal, the college has identified specific strategies and initiatives that it will work towards achieving through 2022. For example, under Strategic Goal 1: Promote Student Success, the college aims to “enhance/encourage student engagement and personal development” by promoting “a culture which embraces diversity in all realms.”

SCC’s complete Strategic Plan 2017-2022 is available on SCC’s website. https://www.scciowa.edu/_resources/docs/aboutscc/strategicplan.pdf.

Poetry Corner

Asides

Though the season’s begun to speak
Its long sentence of darkness,
The upswept boughs of the larch
Bristle with gold for a week,

And then there is only the willow
To make bright interjection,
Its drooping branches decked
With thin leaves, curved and yellow,

Till winter, loosening these
With a first flurry and bluster,
Shall scatter across the snow-crust
Their dropped parentheses.
