The final week of January, however, the bookstore will only be open Monday and Tuesday from 10 a.m. until 2:30 p.m. Plan accordingly.

Know Your Right to Privacy

The Family Educational Rights and Privacy Act allows SCC to make certain information about students public, including your name, address, phone number, schedule of classes, dates of attendance, awards, and honors. Any student who objects to this public release must file a written objection with the Registrar. This written objection is only valid for one calendar year from date of filing and must be renewed if desired.

“Safe Zones” Set Throughout Campus

Safe Zone signs are displayed throughout the campus by faculty and staff as a way to let students know there are safe spaces for them to discuss any issue or obstacle they may be facing in relation to sexual orientation, gender identity, domestic violence, depression, or any difficulties in their life. Any student who identifies with the LGBTQ community is an ally to the faculty of SCC. No one should

ever feel alone; you have people who will listen and help you. No matter how you identify, you have a safe place. Look for bright “stop” signs around campus to see if it is a designated “safe zone.” Talk to Dr. Johnson, Room 507, or email sjohnson@scciowa.edu to learn more. Staff members must complete a training course to be able to put the sign on their door.

Get SCC Weather-Related Postings

If weather conditions affect the operations of the Southeastern Community College, campus closings and class cancellations will be announced on local radio stations and TV stations. Every effort is made to put announcements related to day classes on the air by 6:30 a.m. and those related to evening classes by 4:30 p.m. Closure messages are also posted on SCC's main switchboard, SCC's website, your HawkNet connection, and at www.thenewmix.com. Active students will also be notified via phone, text, and your SCC email account.

Not sure your instructor will be there? Call the SCC Extension 1987. Don't call the switchboard; call your instructor if the weather will not permit you to make it to class if SCC is still in session.
