Stop Domestic Abuse

The Psych! Club is working with DVIP - Domestic Violence Intervention Program - during the month of October to spread awareness. DVIP volunteers are vital to the program. There are many volunteer positions to be filled and help is always needed. If you would like to help those who are victims of domestic abuse, your time is valuable to them. Contact Heather at heather@dvipiowa.org or call at 319-325-9223 to get more information.

Also, be a link in the chain against domestic violence! Psych! Club members are carrying purple strips; sign your name on the strip in support of domestic violence awareness or tell your personal story or that of someone you know. The purple strips will be linked to the large purple chain above the bookstore and Academic Achievement Center in Building 300. Stop the violence now.

Go Dramatic with Drama Club
It doesn’t take much to be dramatic. Are you a seriously dramatic person? Maybe Drama Club is the club for you? Okay, you don’t have to be dramatic, but it might help. Drama Club is for those who love acting and the feel the theatre gives them, whether it be backstage or on stage. Attend the next Drama Club meeting on November 6th at 3 p.m. in the Lounge.

Get the Scoop on WIU
The WIU College of Arts and Sciences is inviting you to attend their College Days event where you can experience lectures and demonstrations in multiple subjects, meet faculty and students, and learn about careers in multiple majors. This event will be **this Friday, October 27th**, beginning at 1 p.m. and going until 3:30 p.m.

Don’t fret over the distance. Locate Polly Falcon for information on the transportation that will be provided to and from the event or email her at pfalcon@scciowa.edu. The bus will leave from the SCC parking lot at **11:30 a.m. on October 27th**, and could return as early as 5 p.m.

FAFSA Ready Iowa Coming to Campus
The last thing a family should have to worry about when preparing a student for college is the ability to fill out a FAFSA correctly. On **Wednesday, November 1st**, from 3 p.m. to 6 p.m., volunteers for the FAFSA Ready Iowa program will be available here on campus to help families in completing the FAFSA application at both campuses. Anyone who needs help getting through the process of filing a FAFSA can attend this free event. Don’t be caught off guard! The resources you need are being made available, so take advantage of this opportunity.

This will be the last visit of the year for FAFSA Ready Iowa. The FAFSA form is required if you are seeking financial aid. Go to [http://www.icansucceed.org/fafsareadyia](http://www.icansucceed.org/fafsareadyia) to answer any questions you may have.

Science Trivia Confounds Students Again

For the past few weeks, the Science Trivia questions have perplexed students, leaving them unanswered. So we are going to try again with a new question: **Name the three organelles in a plant cell that contain their own unique DNA.** All three answers must be correct in order to win.

Think back... you learned this at some point! The first person to correctly answer the Science Trivia gets “on the board” and only need to answer correctly two more weeks in a row to receive a free meal from the Food Service.
