Victim's & Survivor's Resources Chart

Here are some of the resources available to you (as a victim and survivor of gender-based violence) and how they work together.

Members of the campus community, guests, and visitors have a right to be free from sexual offenses and to be protected by SCC policy regardless of sex, sexual orientation, gender identity, or gender expression.

Victim Services from Rape Victim Advocacy Program or Domestic Violence Intervention Program

One of their advocates can be with you during all of these other services to provide support. Their services are free and confidential.

Law Enforcement

Law Enforcement officers can provide assistance with requesting protection orders and no contact orders.

Mental Health Counseling

As a student of SCC you have free unlimited access to therapists & on-demand crisis counseling. Their services are free and confidential.

Medical

Forensic Medical Examinations are available to provide the following medical care to anyone impacted by sexual harm for up to 120 hours after the assault:
- Physical care and treatment of injuries
- Preventative medication
- Collection of forensic evidence if you choose
- Treatment of Sexually-TransmittedInfection(s)

SCC Title IX Office

The Title IX Office oversees all reports of sexual violence, relationship violence and stalking. Victims and survivors of sexual assault, domestic violence, dating violence, and stalking have specific rights, options and resources regardless of the presence of a formal complaint. These rights include the option for a relocation/change of housing, transportation, academic assignment, and assistance in locating and accessing local support services.

To make a report, please scan the QR code below:

In Fall 2023 students are doing outreach to build interest to re-establish the club with officer election in Jan. 2024.

GSA is dedicated to building community for LGBTQ+ persons and allies. The GSA organization explains that “A growing body of research confirms that the presence of a GSA has a positive and lasting effect on student health, wellness, and academic performance. It can also protect students from harassment based on sexual orientation or gender identity, and improve school climates for all students in the long-term” (GSAs Build Power par. 2).
